

St Ives Town FC celebrates continued winning partnership with David Smith St Ives

St Ives Town Football Club is delighted to announce the continuation of its long-standing partnership with David Smith St Ives Ltd, as the local timber engineering specialist reaffirms its commitment to supporting the club and the wider community for the 2026-2027 season.

Having proudly supported the club for several years, David Smith St Ives will continue its sponsorship of the Youth Section, while also supporting the club's social media, graphics and video content.

The partnership has played an important role in helping the club develop both on and off the pitch, supporting youth football while enabling the club to better engage with players, families and supporters across the local community.

David Smith St Ives has been part of the St Ives community for more than 60 years and is one of the UK's leading manufacturers of bespoke structural and architectural timber engineered products, including Staircases, Fire Door sets, engineered Joists and Roof Trusses. As a business built on craftsmanship, teamwork and developing talent, supporting grassroots sport remains a natural extension of its values.

Tim Wilson, David Smith St Ives Managing Director, said:

"Supporting organisations that make a real difference in their local communities is something we are passionate about. We are proud to continue our partnership with St Ives Town FC and to play a small part in helping the club provide opportunities for young players to develop, both on and off the pitch. We look forward to another successful season together."

Mark Taylor, St Ives Town FC Commercial Director, said:

'It is brilliant news that David Smith continues to partner with the club. As we seek to expand our youth teams and set up year on year, plus grow the community base, their support has provided the bedrock for us to try and achieve this. Their ongoing support has been invaluable and hugely appreciated by everyone involved with the club.'

David Smith St Ives looks forward to another season of supporting St Ives Town FC, celebrating local talent and continuing a partnership that has gone from strength to strength over the years.
